

# Golden West College

Building Use: Education

Scope of Work: Interior and Exterior Glass and Glazing

## Project Data

**Location**

Huntington Beach, CA

**Client**

Coast Community College District

**Project Value**

\$2,500,000

**Completion Date**

September 2011

Golden West College is part of the Coast Community College District, a multi-college district that includes Orange Coast College and Coastline Community College, a regional organization providing administrative services and funding for post-secondary education. The district is chartered by the state of California to provide community college services.

In 2009 the board approved the construction of a new Resource Learning Center, and BEST was selected to provide and install the glass and glazing for this new building.

**Photos:**

**Above.** The exterior glazing consisted of 1" dual Solarban 70XL low e glass and 13/8" thick Okalux glass.

**Right.** Interior storefronts and general glazing included fluted and Starfire ultra-clear glass.

**Left.** Campus entrance
