

CENTRAL LIBRARY REPLACE BUILT-UP ROOF

Scope of Work: PVC Roofing

Building Use: Education & Cultural

PROJECT PROFILE DATA

Location:
San Mateo, CA

Customer:
County of San Mateo
Department of Public
Works

Project Value:
\$346,474.00

Completion Date:
December, 2019

Central Library is one of three libraries located in the City of San Mateo and is part of the Peninsula Library System. The 3-story, 93,000 square foot building earned a myriad of design awards and is LEED-certified NC Gold.

BEST was selected to replace the existing roof with approximately 16,600 square feet of Carlisle single-ply TPO membrane roofing system.
