## PROJECT PROFILE DATA

---

**Location:**  
Castro Valley, CA

**Customer:**  
Thompson Builders

**Project Value:**  
\$302,407.00

**Completion Date:**  
January, 2020

As part of the Measure G Bond Program, construction of The Wellness Center at Castro Valley HS was designed to provide dedicated space for students to meet with district professionals to support students through individual and group counseling and partners with other agencies to work with students and meet their mental health needs. The Wellness Center offers an environment that is “safe, nurturing and culturally responsive.”

BEST was selected to furnish and install 3,600 square feet Sarnafil Single Ply TPO roofing at the Wellness Center North Wing; 4,400 square feet at the South Wing Classroom and 9,200 square feet at Building 400 (Project Lead the Way).

## CASTRO VALLEY HIGH SCHOOL WELLNESS CENTER NORTH WING, SOUTH WING & BUILDING 400
