

PROJECT PROFILE DATA

Location:
Los Angeles, CA

Customer:
Pinner Construction
Company, Inc.

Project Value: \$694,679.00

Completion Date:
September, 2019

Located in the Exposition Park area, Foshay Learning Center was established in 1925 as Foshay Junior High School and is one of 254 high schools in the LAUSD system and is ranked #1,300 in the National Ranking; #180 in California and #28 in the District.

BEST was selected to furnish and install roof and deck insulation; 3,100 square feet of Pacific Polymer Elasto-Deck hot fluid-applied waterproofing; WR Meadows self-adhering sheet waterproofing and 20,700 square feet of Sarnafil PVC roofing. The project was completed successfully on time and on budget.
