### Project Data

**Location**

Beverly Hills, CA

**General Contractor**

Bernards Bros

**Project Value**

\$626,587.00

**Completion Date**

April 2013

8500 Burton Way is a luxury apartment/mixed use project rising eight stories from the ground. This iconic, contemporary tower is designed with floor to ceiling glass, stone and smooth plaster facades, pedestrian-friendly streetscape and convenient onsite parking, offering retailers such as Trader Joe's and The Larder at ground level.

BEST was selected to provide below and above-grade Waterproofing at designated areas, including Traffic Coating at the 2nd and 3rd Floor Retail levels; Slab Waterproofing at the 4th Floor and 8th Floor Pool Area, and Decorative Traffic Coating at the 4th through 8th level balcony areas.

*The City's most sought-after address. Situated at the intersection of La Cienega and Burton Way.*
